

PRESENTATION CARD OF COMPANY CAFFEN SRL

The company CAFFEN SRL, based in Naples, is an industry roasting and coffee packaging operating in the Campania market since 1955.

We provide buying coffee directly from source markets, carefully selecting the best available in the world. In our factory, then, the coffees are roasted, blended and placed in the silos for seasoning.

At the end of seasoning, we proceed to the stage of product packaging that is divided into three lines: the public exercises, the home line and the vending line.

The public exercises line includes a wide range of coffee blends designed to meet the needs of bars, restaurants, canteens, community, etc. .

The home line provides specific blends for domestic marketed in bags of ground coffee from g 250 vacuum-packed or in can from g 250 in protective atmosphere.

The vending line includes coffee blends in beans specifications for vending machines, coffee pods packaged in filter paper, coffee in capsules compatible with Lavazza machines and Nespresso machines.

We also produce and package coffee blends with the customer's brand (private label). All this is possible thanks to the high-tech machines in our factory, the technical preparation of our staff during the various phases of production and quality control on raw materials and finished products.

In particular, with regard to quality control, our company is certified ISO 9001: 2008, and also carries out periodical microbiological analysis on the roasted coffee using the analytical laboratory of the Chamber of Commerce of Naples.

In 2006, in 2010 , in 2015 and in 2016 our blends have been awarded a gold medal at the International Coffee Tasting, a competition organized by the International Institute of Coffee Tasters (www.assaggiatoricaffe.org).

In May 2011, our blend called " BAR" won selection " Niche Product " organized within the fair TUTTOFOOD Milan.

In November 2013, our blend MAXIMA 100 % Arabica has obtained the certification of the product becoming a Certified Italian Espresso in accordance with Technical Regulations of National Institute of Italian Espresso (espressoitaliano.org) . Our blends are distributed in bars, restaurants, hotels, supermarkets, cash and carry. We have distributors in all Italy. As for the foreign market, we are present in Albania, Austria, Bulgaria, Estonia, France, Germany, Greece, Hungary, Norway, Poland, United Kingdom, Czech Republic, Russia, Slovakia, Spain, Switzerland, Canada, China, Lebanon, Japan, Singapore, South Africa, Taiwan, USA, UAE.
